

Our Mission: Calvary Episcopal School is dedicated to developing the whole child by building a foundation for excellence within a Christian environment.

August 12, 2004

What's Up at Calvary?

Meet the Teacher...Tonight!

Please join us tonight as we invite new and returning parents and students to our Meet the Teacher Night. The meeting will begin at 7pm in the church. You may park in the school parking lot on Austin Street and come through the parish hall, or the church side on Travis Street and enter through the parish hall. All doors will be unlocked.

Our general meeting will include greetings from the director, the rector and the CPTO president. There will be news about upcoming school events, and of course, and introduction of our faculty. After the general assembly in the church, parents and students will then be dismissed to meet teachers in the classrooms until 8:30.

Used Uniform Sale a Tremendous Success!

Thanks to the incredible organization and hard work of school volunteer, **Ms. Claire Chipman**, our Used Uniform Sale brought in a record \$1,328! A

special thanks to school volunteer, **Ms. Diana Montavo** for her help with the event, as well! And, thanks to all the wonderful parents who sent donations for the sale...without you, we would not have had such a great inventory!

Obviously, many parents were able to get usable uniforms for next year, which makes this project a win-win for all!

Another sale is being planned for December, so if you still have donations, please drop them by the office.

A few uniform reminders:

- Navy pants or shorts are no longer a part of our uniform dress. We will continue to collect them from you and donate them to Common Threads, the Lamar CISD used uniform store.
- All patches on sweaters and blazers must be the new patches which have the school name on them. You can purchase new patches in the school office.
- All polo shirts must have the Calvary Episcopal School embroidery on them this year. You may get your shirts embroidered at Speedway Shirts and Signs in Rosenberg.

Calvary MS Students Active Already!

Calvary middle school students are already getting ready for the new school year. The 2004-2005 cheerleaders, **Emily Armour, Emily Treadgold, Rachael**

Gonzales, Morgan Kennedy and Nichole Cromwell attended cheerleading camp at Texas A&M, chaperoned by cheerleader sponsors, **Ms. Joiner and Ms. Bartholomew.** (Madelyn Herfort is a cheerleader, also, but was not able to attend camp because of a conflict with another camp she was attending.) The girls did very well, coming home with lots of ribbons and a "Superior" performance trophy! **Ms. Joiner** was particularly pleased with their "stunting, how they work as a group, and their enthusiasm!" A big "hooray" to our cheerleaders.

Flag Football practice has been taking place for the past several **HOT WEEKS.** **Coach Wisner** and the guys

have been working hard (and drinking lots of water!) to get ready for the first game of the season. Several players are returning from last year, so we are looking forward to an exciting season!

The volleyball ladies are working out this week at volleyball camp. They will be led by **Coach A' Dell Morrison.** Like our football team, several

players are returning from our very successful last year's team. Spike 'em good, ladies!

Up and Coming Events
(Our Official School Calendar can be found on our website at www.ces-richmond.org.)
