

CALVARY PARENT TEACHER ORGANIZATION

Welcome to another Great Year at Calvary Episcopal School (CES) and Calvary Episcopal College Preparatory (CECP). As parents of a student or students of CES or CECP, you are AUTOMATICALLY members of the Calvary Parent Teacher Organization (CPTO). The CPTO offers you as parents numerous volunteer opportunities to aid in improving both you and your children's experience at Calvary. By providing "Volunteer Power", the CPTO performs a critical function in helping to keep tuition as low as possible and the quality of our children's education as high as possible. The "Volunteer Power" is a valuable resource used for fund-raising, faculty assistance, community outreach, and fellowship between parents, faculty and students.

In past years, the CPTO has been blessed with countless volunteer hours and with your help we can continue this honorable tradition. Whether your contribution to our "Volunteer Power" is one hour or a thousand hours, we need all of these hours to continue the great success of our program. If you would like to be a part of Calvary's "Volunteer Power" please fill out and return the attached form to the school or contact Kelly Ann Burke, CPTO President, at (cell) 832-428-0118 or (work) 281-342-5570 or (e-mail) kelly_burke@att.net.
