

December 19, 2006

The Calvary Episcopal School and College Prep family wish you and yours a joyous and blessed Christmas. May you have a wonderful new year full of health and happiness. We will see you back at school on January 3, 2007.

Rest, Relax and Enjoy time with your family and friends!

Looking for an Office Volunteer

Like to meet people, be in an active and exciting environment and can provide light office skills? Well, the CES office is looking for a regular volunteer who answer the phone, greet visitors, and help around the front office. If you have one day a week, ½ day a week, or a few hours a week, please contact Monica Jaster at extension 14.

Fifty Years of Excellence!

The CES/CECP community would like to thank everyone who has made a contribution to our annual giving campaign, "Fifty Years of Excellence...A History Worth Repeating!" Our annual giving campaign goal of \$60,000 will help to fund more books in our library, much needed new carpet in the elementary building, and a new fire alarm system. The campaign has been extended through January 31, 2007. Please consider helping us reach our goal and send your tax-deductible contribution today!

Yearbook Community Photo Site

Do you have some great pictures of your Crusader(s) during a school event or with other Crusaders at an outside activity? Our yearbook staff would love to have your personal pictures to add to our collection. Pictures from parents and relatives are a very important resource for our Crusader Yearbook staff. For your convenience you can upload your photos directly to our online yearbook site as well as view our staff progress on the "virtual yearbook" day or night:

Website:
