

**Our Mission: Calvary Episcopal School is dedicated to developing the whole child by building a foundation for excellence within a Christian environment.**

## February 15, 2005

### Presidents' Day Holiday

Students and faculty will be enjoying Monday, Feb. 21 off from school in observance of **Presidents' Day**. School will resume on Tuesday, Feb. 22.

### Grandparents and Other Special People Day

Please mark your calendars for our "Grandparents and Other Special People Day." This year our students will honor our guests on Friday, April 8. We hope grandparents and others who are special to our students will join us on this day as we honor you!

### School Board Update

We would like to welcome Jeff McClellan as a new sponsor member (church member) of our school board. Jeff and his wife Melissa have a pre-k and first grade student at CES. Jeff will be a positive addition to our already wonderful board!

### Fall 2005 Registration is Underway

Parents have received registration packets and are urged to send them to the school office. Registration is now open to the public, and some grade levels are beginning to fill. So, reserve your spot now by sending your registration packet to

the office today.

### Basketball Season Coming to an End

Our middle school students have had a great basketball experience. The boys have played on two teams, the Gold and Blue. The Gold team is currently in first place in our

conference, West Houston Christian Athletic Conference. The Blue team and the girls' team have gained lots of

experience as we build our programs for next year. Best wishes to the teams as they compete in the Conference Tournament this weekend!

What's Up at Calvary?
