What's Up at Calvary?

Calvary Students Shine!

What a great weekend for Calvary students. **Denys Hefrott** represented CES beautifully by coming in 4th at the Fort Bend County Spelling Bee. **Denys**, who is an 8th grader, has been the CES spelling bee champ for a number of years. Congratulations to **Denys** for a job well done! (By the way, as soon as **Denys** was finished with the spelling bee, he headed across town to join our boys Crusader Basketball Team in time to help win the tournament championship!)

The Crusaders played very well in the West Houston Christian Athletic Conference Basketball Tournament. The girls played well, but came up with a couple of hard fought losses. Congratulations to the girls selected to the All Star Team: **Kristi Lenderman**, **Kemmah Musa** and **Alex Cardenas** (for the three-point contest). The boys brought home the **first place tournament trophy**, finishing second place in the conference. The following boys are to be congratulated for being selected to the All Star Team: **Andrew Brunkhorst**, **Travis Honeycutt**, and **Nick Webb**. **Nick** was also selected for the three-point contest.

Coach Mouch was selected to coach the All Stars. We appreciate **Coach Mouch**,

Coach Brunkhorst, and Coach

Morris for all the hard work and great coaching this year! After spring break, middle school students will be participating in track and field, golf and tennis.
