

Our Mission: Calvary Episcopal School is dedicated to developing the whole child by building a foundation for excellence within a Christian environment.

What's Up at Calvary?

February 17, 2004

Update on Ms. Beal

As many of you know, our wonderful first grade teacher, Dixie Beal had surgery last week at Park Plaza Hospital. Surgery was very successful, and she is in good spirits as she has gotten the best news ever from her doctor; there will be no need for hospital follow-up or treatments. She will probably be in the hospital for another week and her recovery period will be at home for several weeks. She thanks everyone for their kindness, thoughts, and prayers.

Grandparents and Special Friends Day

All parents will be receiving a special note home about our annual

“Grandparents and Special Friends Day” on Friday, March 12, which is an early dismissal day. We hope that

everyone special to our students will be able to join us!

Ash Wednesday

Ash Wednesday is next week, February 25. As in the past, Fr. Frankie will teach a lesson related to the dispensing of the ashes, and all students who would like may come forward for ashes at our Wednesday chapel service. Parents are urged to discuss Ash Wednesday with their children and advise them regarding their participation.

Curriculum on the Web!

Would you like to know what your child will be studying during the third quarter in history, or science, or English? Well, you can now take a look at our curriculum on our website. Visit our website at www.ces-richmond.org and look down the menu on the left. Click on “Curriculum” and you can search by teacher, subject or grade!

Being SunWise!

You will be receiving a special invitation to our SunWise program on the evening on Monday, Feb. 20 at 7pm.

There will be age-appropriate student assemblies prior to the parent program so that students can learn the best ways to protect themselves from overexposure of the sun. One way,

of course, it to wear a sun protective hat. So, on Monday, Feb. 20, students may bring their favorite hat to school as we learn to be SunWise!

Working for Washington

Our eighth graders did an outstanding job writing résumés, making speeches and helping to prepare the Working for Washington auction. Student services were auctioned for over \$3300 in donations. These donations will help defray the expenses of their Washington, D.C. trip. From the eighth grade class...THANK YOU ALL FOR YOUR SUPPORT!
