

January 5, 2005

Welcome to New Students

Welcome to the following new students:

Pre-K student

Cassandra Schmid, first

grade students **Hanna Hodges** and **Amanda Kresta**, sixth grade student, **Emma Pace**, and seventh grade student **Billy Daw**. We are thrilled to have you at CES!

Prospective Student Open House

You may know friends and neighbors who are looking for a different school setting in the fall, 2006 for their child. CES may be

the place for them! (The Lamar, Fort Bend and Katy school districts are rated "Acceptable" by the Texas Education Administration rating

system. As you know...at CES, acceptable...**isn't!**)

Our evening Prospective Student Open House will be on January 26, 2006 at 7pm in the gym. There will also be a School Day Open House on February 1, 2006, 8am-3pm. Prospective parents can attend either, or both.

If you know someone interested in CES for the next school year, we will have a personal way for you to invite them to our open house. Next week each family will receive post cards announcing the date and time of our open house. We would request that you write a personal note and send or give the card to someone you know who may have a potential Calvary

student. Pass them out at work, in the neighborhood, at church, or at our favorite gathering place...Randall's or HEB!

And, new this year...**current parents** are invited to attend this open house as well. You will be able to meet and visit with the teachers that your child will have next year!

The open house is a great time to hear about the school and grade level, meet teachers, and review programs and curriculum.

2006-2007 Registration

Current Calvary parents and students will have the opportunity to register the first week of registration, which is the week of January 30. Parents will be receiving re-registration packets the week before and are urged to return them as soon as possible, as this

will insure your child's enrollment for 2006-2007. One of our grade levels is full this year, with several others close to capacity. It is very likely that the following grade levels next year will have limited spaces: **pre-kindergarten, kindergarten, third, fourth and fifth**. As an **extra incentive** to re-register early, all current families who register the week of January 30 will receive a **\$100 re-registration fee reduction per child!**

What's Up at Calvary?

So, turn your papers in before Friday, February 3, 4pm and let us “save you \$!”

Registration will be open to Episcopal Church families the week of February 6 and new families beginning the week of February 13.

And remember, we are registering students in grades PK-12!

**2006 Calvary Episcopal School
Auction: Yakety-Yak, Let's Go Back!**

The CPTO hopes everyone had a wonderfully relaxing and family-filled holiday season! Now, it's time to hit the ground running as we prepare for another fabulous CES

Auction at
**Safari Texas
on February
17, 2006.**

You all should have received your auction packet that was mailed in December. It contains some very important information about the auction, including forms for auction donations, underwriters, star ads and general advertising. Several deadlines are just around the corner, so we wanted to give you one last opportunity to participate if you so desire.

UNDERWRITER—Deadline: January 13, 2006!

As an Underwriter, you receive a table for 10 in a prime location, VIP recognition in the Auction program and invitation, a private fun-filled reception and a chance to win a fantastic piece of jewelry graciously donated by **Herfort Diamond Ring Factory**.

STAR ADS—Deadline: January 27, 2006!

Recognize your special student or favorite teacher, best friend or the whole class by buying a Star Ad for the program. Star Ads are quite a deal at \$10 per ad.

Remember to keep it short and sweet! Classes with 90% participation will receive a **FREE DRESS DAY!**

ADVERTISING—Deadline: January 27, 2006!

Spread the word about your business by advertising in the 2006 Auction program. Ads run from \$40 for a business card size ad to \$350 for an ad on the inside cover and several other options in between.

SILENT AUCTION DONATIONS—Deadline: no time like the present!

Our auction is only as successful as the auction items are wonderful and plentiful!! We have received many great items already, but we need more. Tickets to sporting events, vacation homes, autographed items and the like are always extremely popular.

Underwriter forms, Star Ad forms, Advertising forms and Silent Auction donations may all be turned in to Mike Sawicki in the Front Office. Additional forms for any of the above are also available through Mike. As always, if you have ANY questions, please feel free to call **Kelly Burke** at 281/342-5570 or **Suzanne Armour** at 281/341-7917. We are really excited about the auction this year and are looking forward to seeing EVERYONE there!

Thank you in advance for your continued support,

Kelly Burke and Suzanne Armour

National Geographic Bee

Each year CES middle school students participate in the National

Geographic Bee. This contest challenges student skill in all areas related to geography. **Ms. Haley**, the

contest sponsor, has announced that the following students were finalists in the preliminary round: **Trevor Adair, Kristin Barnes, Harrison Frehe, Julia Gaas, Evan Hutchinson, Justin Jones, Alex Krogel, Trent La, Michael Mouch, Jarred Pendleton, Tito Perez, Will Roberts, Tim Strother, and Doug Webb.** The two finalists who will advance to the state level are: **Justin Jones**, 1st Place, and **Kristin Barnes**, 2nd Place. Congratulations to all of these talented students!

Honor Roll Chapel

The Honor Roll Chapel for second quarter will be on Wednesday, Jan. 18. For Honor Roll guidelines please refer to page 23 in the student handbook. Dress Uniforms are required for all students.

Did You Know..

...after 8th grade, CES Art students place out of Art I and enroll in Art II as freshmen, consistently winning local and area art contests; Spanish Students go on to Spanish II as freshmen; our math students go on to Geometry as freshmen and our Science students go on to Biology instead of Integrated Physics and Chemistry as freshmen. It's good to be a Crusader!
