What's Up at Calvary?

Service to Our Community

Thirteen members of the Student Council gave up their Saturday morning to work on a service project over Easter weekend.

Palmer Eagleton, Justin Jones, Alex Cardenas, Kristi Lenderman, Travis Honeycutt, Tanner Baughman, Silas Rodriquez, Emily Treadgold, Harrison Frehe, Hope White, Robert Molina, Rory Smith, and Nicholas Cardenas as well as two moms, **Mia Cardenas** and **Tanyga White**, delivered forty flowers to homes near and around Calvary's campus to thank them for being such good neighbors. The potted flowers were donated by **Enchanted Forest** and the teams got to meet some of our neighbors and hear their stories. Then the group turned their attention inside our building and worked on two clean-up projects here, including polishing all of the pews in the sanctuary! **Mrs. Rodriquez**, Student Council Sponsor is grateful for all of their help and their gift of time to our community!

More Students Doing Good Things!

Two CES students, **Justin Jones** and **Sarah Almaguer** participated in the Optimist Oratorical Contest at the Sweetwater Country Club, Sugar Land, on March 22nd. Both students were

selected from Drama classes based on their topic and presentation. Although neither student placed, **Ms. Tate**, CES Drama teacher, is very proud of them, and is already looking forward to the competition next year!

Ms. King, third grade math teacher, has taught the third grade students how to play chess. She has held two after school tournaments, which has created lots of excitement. At this time,

Ms. King reports that, although there are a number of excellent chess players, **Isaiah Blair** is the undefeated chess champion!

Register for 2005

If you have not registered for the 2005-2006 school year, we ask that you send registration documents to the front office. It is very beneficial to the school in making staffing decisions to have an accurate class count.

Thank You Sterling McCall Toyota Fort Bend

A Big CES "Thank You" to **Joey Dupuis** and **Sterling McCall Toyota Fort Bend** for their generous donation of \$200. **Sterling McCall Toyota Fort Bend** donates \$200 to CES anytime a CES family makes an auto purchase.

Working for Washington Auction and Display

Thanks to the hard work of the middle school teachers, Ms. Eagleton, and our eighth grade students, our Service Auction, to be held on April 6 is creating excitement among the students. You will want to check out the wonderful “Working for Washington” display in the corridor between the school and parish hall. It highlights each of the eighth grade students and their many talents!

PSIA Follow-Up Parent Meeting

As last year, there will be a Private School Interscholastic Association (PSIA) Follow-Up Meeting on Thursday, April 7 after chapel in the Solarium. This meeting is for parents and teachers to share thoughts, observations and suggestions about the PSIA experience: lead up activities to the contest as well as the contest itself. Any parent who had a child in PSIA or has an interest in academic contests, please plan on joining us.

Honor Roll Chapel

The Quarter 3 Honor Roll Chapel will be on Tuesday, April 5 at 8am. All students who qualified will be recognized at this chapel. (Please check the Student Handbook for qualification guidelines.) Dress uniforms are to be worn by all students on this date.

Did You Know

Calvary Volunteers have logged over

1,336 hours so far this year!

THANK YOU for everyone's time and dedication. We are all immensely blessed by your gift of service!

(Just a reminder to Volunteers, please log your hours when you come to school!)
