

# What's Up at Calvary

**Our Mission: Calvary Episcopal School is dedicated to developing the whole child by building a foundation for excellence within a Christian environment.**

## National Geographic Bee State Finalist!

Congratulations to Calvary eighth grader, **Colin Chambers**, who has qualified to participate at the state level of the National Geographic Bee. The school level competition was open to middle schoolers last month. Colin will be competing with one hundred other state finalists in Bedford, TX, on Friday, April 4. One winner from Texas will advance to the national finals in Washington, D.C. on May 20-21. We wish Colin the best on his quest to the national finals!

## 2003-2004 Uniform List

There have been a few uniform changes for next year. Most of the changes are with the Dress Uniforms. The 2003-2004 year will be a transition year, which means that **uniforms from this year may be worn next year as well.**

The 2003-2004 uniform list is available for viewing on our website. Please go to: [www.ces-richmond.org](http://www.ces-richmond.org) and click on Calvary School Resources. Go to Parker Uniforms and click the "Download" button.

## Tri-Fold Brochure Bids

Calvary will be designing new marketing full-color tri-fold brochures. Anyone interested in submitting a bid should contact Mr. Smith.

## Basketball Season Ends

### All Stars Named

Basketball season has come to an end. Our Crusaders did a phenomenal job this season. With the talents of Ms. Ivey

with the girls and Mr. Mouch and Mr. Brunkhorst with the boys, our students learned basketball skills, and even more importantly, leadership and sportsmanship skills. Thank you Mr. Mouch and Mr. Brunkhorst!

And, speaking of thanks...Ms. Lewis has been coordinating the parent athletic activities. Thank you, Ms. Lewis for the hours of emails and notes home!

All of our students are stars, and four were recognized by their coaches to participate in the Conference All Star Game on March 24: **Shannon Joiner, Audrey Lamb, Carson Eagleton and Austin Lewis.** Congratulations to these fine athletes!

## Golf, Track and Tennis Seasons Begins

Mr. Mouch and Mr. Brunkhorst will be coaching the boys and girls golf team this year. The team is open to middle school students. Practices will be on Wed. afternoons beginning March 26. Any student interested in joining the golf team should call Mr. Mouch at 342-7828 or Mr. Brunkhorst at 342-6334.

This year Mr. Wisner will be coaching track. He will be assisted by Ms. Chambers.

Track practice begins on March 12. Students interested in joining the track team may call Mr. Wisner at 713-444-2502 (cell), 281-633-0602 (home) or 281-274-8424 (work).

Mrs. Bowers will be coaching the tennis team again this year.

Practices will be at the YMCA.

Additional information about practice dates will be sent home at a later date.

### **Illness, Report Cards, Incomplete Grades and SAT Make-Ups**

Student illness has taken its toll on our Crusaders. Those students who have been out the past week will be administered the Stanford Achievement Tests this week.

Report Cards will be coming home this week, and students who have been out and have incomplete grades will be given an opportunity to make up their work.

Parents are invited to Honor Roll Chapel on Friday, March 14.

### **Shelter in Place**

Parents will be receiving a letter this week describing our "Shelter in Place" plan. This plan will be enacted only if there is any type of emergency that would require students to be sheltered at school. Please carefully read this letter and supply the school with the information requested in the letter.

### **Registration**

Registration for the 2003-2004 school year has only been open for one week and our registration numbers are already at 71% of this years enrollment. Parents of current students received their registration contracts on February 18 and are urged to guarantee their child's place at CES next year by returning them this week.

### **Grandparents and Other Special People**

Grandparents and other people who are special to our Calvary students are invited to an afternoon of fun and exciting events on Friday, March 14. The festivities will begin in the gym at 1:15. Please mark your calendar and plan on joining us!

### **Town Hall Meeting**

All parents and friends of CES are invited to a Town Hall Meeting on Saturday, April 5, 9am-11:30am in the Parish Hall. There will be information and topics that were discussed at our school board retreat this past weekend. For example, the possibility of adding a High School will be one of the topics. A complete detail of the agenda will be sent home. Mark this date on your calendar and plan on joining Fr. Frankie and Mr. Smith for a morning of information and discussion.
