

Our Mission: Calvary Episcopal School is dedicated to developing the whole child by building a foundation for excellence within a Christian environment.

What's Up at Calvary?

March 8, 2004

Summer Dates for Your Calendar

So, its March, we're heading toward Spring Break, and we're talking about summer?! We sure are, because we have several summer opportunities for students, so mark your calendars. You will be receiving information on each of the programs soon:

- **June 14-18**, Calvary Episcopal Church Vacation Bible School
- **June 21-July 1**, Quarter 5, the Calvary School Summer Program. This will be a 2-week, Mon.-Thu. program for fun and learning. Hours will be 9am-noon.
- **July 5-9**, Camp Invention, a science based program for students who will be entering grades 2-6. Students will learn to explore and discover in a hand-on interactive program that introduces students to a different adventure every day. This program is currently registering. Information was sent home two weeks ago. If you would like additional information, please call **Mandi Casey** at CES or email at: mcasey@ces-richmond.org

Grandparents and Special Friends Day

The building will be full of very special people on Friday! Grandparents and special friends of our students are invited to chapel and to an assembly at 9:00 in the gym. Students may wear "Spring Break" attire. (Students should be reminded that they must conform to the "free dress" guidelines in the handbook.) We look forward to having our many friends join us on Friday.

From the Clinic

We have experienced a variety of illnesses during the past few weeks. Please make sure your child is completely well before sending him or her back to school. The rule is to be free of fever for at least 24 hours (P.12 in the handbook). Hopefully this will keep our students and teachers as healthy as possible. Thank you for your cooperation.
Vicki Ward, RN

Science Fair a Huge Success!

Thanks to the science teachers and our Calvary volunteer parents, the Science Fair spotlighted many talented students and their work. The following were instrumental in making our Science Fair a success;

Karen McCarter, Patty Robinson, Hattie Almaguer, Nora Fredrick, Anna Kelley, Mary Helen Mitchell, Keith McKeel, Carol Gaas, Karen Nissman, Lisa Pepin, Sylvia Perez, Bryan Beale, and Grace Cromwell.

The following students won ribbons for their projects:

Third Grade: **Courtney Adair** and **Katherine Pepin**, 3rd place; **Mark Stell** and **Hope White**, 2nd place; **Taylor Burke** and **Kate Mann**, 1st place.

Fourth Grade: **Matthew Stockwell**, 3rd place; **Connor Jones**, 2nd place; **Tammy La**, 1st place.

Fifth Grade: 3rd place, (tie), **Cullen Cole**, **Madelyn Herfort**; 2nd place, (tie), **Rachael Dyess**, **Kendall McKeel**; 1st place, **Jesse Carter**.

Sixth Grade: 3rd place, **Mike Oda**; 2nd place **Jared Beale**; 1st place, **Gregg Lamb**.

Seventh/Eighth Grade: 3rd place, **Audrey Lamb**; 2nd place, **Christine McCarter**; 1st place, **Sam Treadgold**.

School Closed for Spring Break

CES will be closed the week of March 15 for Spring Break. Classes will resume on Monday, March 22.

Parking Lot Landscaping

A BIG THANK YOU! to former student, Billy Gibula for the landscaping on the parking lot and the re-stripping of the parking spaces around the school and church. This work was done this past weekend by

Billy and his Scout Troop as part of Billy's Eagle Scout Project.

Development Office News

Congratulations to Mrs. Fredrick! The Development Office received a grant check for \$25,000 from the Gulf Coast Medical Foundation. This year's "Meet the Challenge" goal was \$25,000 and collected about \$35,000. Thanks to the Development Office for exceeding their goals!
