Uniforms 2003-2004

There have been some changes in uniforms for next year. One of the changes is that the daily polo shirts will have the Calvary name embroidered on them. You can take a look at the new uniform guidelines on our website at www.ces-richmond.org under "Calvary School Resources."

Next school year (2003-2004) will be a transition year in which current uniforms can be worn, as well as the new uniforms (both daily and dress uniforms). There will be a used uniform sale at Calvary in the multi-purpose room on Wednesday, May 14, 11am-7pm.

Friday, May 16 is a Free Dress Day, as declared by our "Principal of the Day," **Ashley Robinson**.

Join the CIA!

Anna Kelley is the mother of **Connor** (1st grade) and **Cassidy** (Kindergarten). She is just completing her first year at Calvary and is excited to be a part of the Calvary family. Being new at the school, she had a lot of questions and found a mentor in **Cindy Chambers**, who guided her through the first few weeks of school. It was a very positive experience that she would like to offer to other new families. We are expecting 40-45 new families this coming year to Calvary and want to make sure that

they have the same positive experience.

Ms. Kelley will head up a new program, the C.I.A. (Crusader Information Agency). We need some agents. We need parents who will volunteer to be that information contact for a new family to Calvary. It will not take much time. We would like to get the new families paired up with families that have children in similar grades as theirs. We would provide CIA volunteers with a handbook of information, as well as to the new families. We just want these new families to feel at home on that first day of school. It is always hard being new. We will also, probably have a new family gathering just before school.

If you are interested in helping, please email Ms. Kelley at anna@volleyball-festival.com or ak1814@aol.com with your name and the names and grades of your children. If you could, please give her an idea as to which days are best for you to meet, when looking at the reception, etc. . If you work, you can still participate. Most of the information exchange will be over the phone, so this might work out well for those of you who think you miss out on participating in things at school because of work.

Ms. Kelley's home number is (281) 343-9409 or her cell is (713) 294-4694 if you have any questions. She will be happy to talk with you.
