**From the CES Family to Yours...Happy Thanksgiving!**

The CES family wishes you and your family a special week of thanks and a time for precious memories. Enjoy your week off, and we will see you back on Nov. 29.

**Service to Others**

The Student Council is asking each family to be a part of something special by making a food donation to those in our community who are in need. Any non-perishable food items can be brought to school by November 19. Collection boxes are on the stage in the Parish Hall.

And, our annual **Santa Behind the Badge** service project begins this week, though Dec. 14. This is a project to provide Christmas gifts to children in the Richmond area. This joint project between the Richmond P.D., the Second Grade, the Fourth grade, and the Student Council has been highly successful and rewarding. Students collect and wrap gifts as we begin the true spirit of the season!

**Special Christmas Choir Program**

You will want to mark your calendar for the special annual Christmas Choir Program and Dinner. This year's program will be on Friday, Dec. 3, with dinner beginning at 6pm, and the program, "A Christmas Carol," at 7pm. The

dinner, a spaghetti supper, will be a project of eighth grade students, supporting their trip to

Washington, DC. Performers of this "Dickens tale with a twist" will be from grades K-3 (with a little help from their friends in other grades). The dinner and choir program will be in the gym.

**What's Up at Calvary?**

### **Student Council Jeans Spirit Day**

CES has a very active Student Council who, under the enthusiastic direction of Ms. Rodriguez, has requested and received the approval for Tuesday to be declared "Student Council Jeans Spirit Day!" So...thanks to your Student Council, students will be allowed to wear jeans with their regular CES polo top, or any CES spirit shirt. See you at the Pep Rally on Tuesday!

### **Safeguarding God's Children Training**

An additional training date for Safeguarding God's Children has been added to the school calendar: Tuesday, November 30, 2004, 7 pm until 9:30 pm. This will be the last opportunity for volunteers to attend this required training at CES.
