You will find an order form in the take home folder today that can be returned to the school office. Mulch will be delivered to your house on Saturday, November 5.

**Fort Bend County Fair Art Contest**

Once again, our talented art students, under the guidance of art teacher, **Ms. Dennison** did very well again this year at the Fort Bend County Fair Art Contest. **Ms. Dennison** entered 100% of elementary (144 entries) and 10 middle school entries. This year those

numbers translated to **154 blue ribbons** and the **outstanding ribbon for middle school art**, won by **Micaela Aguirre**. Congratulations to **Ms. Dennison** and our outstanding student artists!

### CPTO Auction Meeting

You may think the annual CPTO auction is a long way off, but, it is never too early to begin planning. Actually, our co-chairs of the event, **Ms. Burke** and **Ms. Armour** have been busily planning since this summer! They are asking that anyone interested in helping or finding out more about the auction is welcome to attend the "Yakety-Yak, Let's Go Back" kick off meeting this Friday, immediately after chapel in the Solarium. Parents might be interested in attending Chapel on Friday, as that will be our Chapel Auction Kick Off as well...and we're expecting a VERY SPECIAL GUEST!!!

### Seize the Moment-Annual Giving Campaign

Each year CES gives parents, grandparents, alumnus, and friends an opportunity to support the school with a contribution to our Annual Giving Campaign. This year's campaign, **Seize the Moment**, began with the Director's Dinners. Each family will be receiving information in the mail within a few days explaining the campaign in detail.

Participation is the key to success. Grade level incentives are based on participation, not how much any individual has pledged. Students will be treated to a Pizza Party if the school reaches a 90% participation level; free dress every Friday in February will be added to the Pizza Party if we have a school-wide 100% participation and reach our financial goal, which is \$60,000.

Every grade level has a board member and class captain assigned to assist with the campaign. Thanks to the following for offering their time and energy: Pre-kindergarten, Board President **Dennis**

**Gorka** and Class Captain **Mindy Brown**; Kindergarten, Board Member **John Anderson** and Class Captqin **Holly Heubner**; First Grade, Board Member **Dan Mc Donald** and Class Captain **Angie Hall**; Second Grade Board Member **Mona Smith** and Class Captain **Claire Chipman**; Third Grade Board Member **Jeff McClellan** and Class Captain **Carmen Breuer**; Fourth Grade Board Member **Mike Ciavarra** and Class Captain **Claire Clarke**; Fifth Grade Board Member **Laurance Armour** and Class Captain **Kelly Burke**; Sixth Grade Board Secretary **Carol Gaas** and Class Captain **Roxie Strother**; Seventh Grade Board Vice-President **Mark Herfort** and Class Captain **Sylvia Perez**; and Eighth Grade Board Member **Jayne Nemec** and Class Captain **Judy Jones**. CES sincerely thanks all of these volunteers for taking leadership in our Annual Giving Campaign!

### We've Got Astros Spirit...How 'Bout You?

How about another Astros Sprit Day? That was the question asked in chapel today, and you might guess the answer! So, to start off the National League Championship Series with the 'Stros and the Cards, students may wear their Astros shirts and jeans on Wednesday, Oct. 12.

### Safeguarding God's Children

School employees and volunteers must be trained in Safeguarding God's Children before working at the school. The next training session will be on November 3, 6pm-9pm. You may call the school to be registered for this training.

### Flu/Pneumonia Shots at School

The school has contracted with Maxim Healthcare to

administer flu shots to children age 9 and above (parent must be with the child) for a cost of \$25. Pneumonia shots will be \$35. Shots will be given on Friday, Nov. 4, 1pm-4pm in the Parish Hall Conference Room.

## Did You Know..

That each year CES students take the Stanford Achievement Test, a norm-referenced test that compares our students with those in the same grade throughout the US. Last spring the **median grade equivalency for our 8<sup>th</sup> grade class was Post High School and the median grade equivalency for our 7<sup>th</sup> grad class (now our 8<sup>th</sup> graders) was Post High School!**
