Breakfast Program Discontinued

This year our hot lunch program has been very successful. Unfortunately, the

breakfast program has not been serving enough students to justify continuation.

Breakfasts will be served through the month of October, but,

the service of breakfast will be discontinued beginning November 1.

Lunch prices will remain the same.

Honor Roll Chapel

Our first Honor Roll Chapel will be held on Friday, October 22 during the chapel service. Students will be recognized who meet the honor roll guidelines as written in the student handbook:

Grades PK-1

- Pre-k and kindergarten - citizenship recognition
- First grade will give progress reports instead of report cards. There will not be an honor roll for first grade this quarter

Grades 2 - 8

- All A-All A's in **academic subjects**
- A/B-Any combination of A's and B's in **academic subjects**
- No unsatisfactory conduct marks

All parents, relatives and friends are invited to Honor Roll Chapel.

Volunteers...and Visitors, Sign In Please!

The Development Office is asking that each parent volunteer sign in and out each time you work at CES. (This includes CPTO workers.) This will allow the office to track the number of individual and total volunteer hours, which is an important statistic for our Annual Report.

Also, for the safety and security of our students, all visitors are required to

What's Up at Calvary?

sign in at the front office and wear a badge while in the building. Thank you for complying with these safety precautions!
