Football and Volleyball Seasons

Successful!

This week our football team enters the West Houston Christian Athletic Conference football tournament...undefeated! Our guys, under **Coach Wisner**, have had a great season, and look forward to taking the tournament championship trophy this coming weekend. The first game of the tournament is Thursday at 5:15pm. The next game will be on Saturday. CES will play at either 10am for third place or 11:15am for the championship. (Our scouts tell us we are in pretty good shape for the 11:15am game!)

Our blue and gold volleyball teams had some great games this season under the direction of **Coach Morris**. The ladies on the blue team played hard and developed their skills for next year. The gold team won third place in the conference tournament. Congratulations to our All Star players, **Kristen Blaschke** and **Kayla Schulze** for their outstanding contributions to the team. The All Star game is today at 5:30 in the CES gym. Come out and watch them play!

Dare to Soar Update

Can you believe we are almost to the **half way point!**

Look in the mail this week, as your Class Captain will be sending you updates on your child's class rank in overall participation! Secondly, in case you haven't heard there's an incentive for our kids in achieving **100% class participation:**

- If the **class** gets 100% participation the class gets free dress one Friday
- If the **entire grade** gets 100% participation the grade gets a pizza party and free dress one Friday
- If the **entire school** gets 95% participation or higher then everyone gets a pizza party and free dress every Friday in January!
- If the **entire school**, (Faculty, School Board, and Classes) get 100% participation, and we meet our financial target, the school will get a pizza party, free dress every Friday in January and **A DAY OFF OF SCHOOL!!!**

Thank you for your consideration and continued support of CES!

What's Up at Calvary?

Red Ribbon Week

You might see our CES students around the campus this week in some “funny looking” clothing accessories...like fuzzy slippers, or sports shirts, or hugging teddy bears. But, it’s all in the spirit of Red Ribbon Week, which is a national program that reminds students of the dangers of drugs, alcohol and tobacco. Each day is a different theme as our students enthusiastically say **NO** to drugs!

Picture Retakes and Fall Sports Photos

For anyone who was not satisfied with the individual school photos that were taken earlier in the semester, there will be an opportunity for picture retakes on Tuesday, Nov. 9. Students should wear dress uniforms on that date. Students involved in fall sports will also have their photos taken that afternoon in their athletic uniform.

Join Us for Veterans’ Day Program!

Please join us for a special salute to veterans on **Wednesday, Nov. 10** at

1:45pm in the gym. There will be a program honoring all veterans. Parents, grandparents, family members and friends are invited.

There will be a reception following the program.

Service Partnership with the Richmond State School

Thanks to Ms. Claire Chipman, one of our parents, who is the Director of Public Relations at the Richmond State School, CES students enjoyed a special chapel in which The Four Travelers, residents of Richmond State School performed with an uplifting musical program. Residents of Richmond State School, which opened in 1968, are adults who have severe disabilities. We also have a service opportunity for students. The first project will involve students making birthday cards and Thanksgiving decoration for the residents. We look forward to a continued relationship with the Richmond State School.

COMING UP AT CALVARY
