CES Shows Spirit for the Astros!

Go 'Stros! CES students will be able to show their playoff spirit for the Astros on Friday by wearing Astros colors, Astros shirts and/or Astros hats. Friday is always spirit day, so regular CES spirit wear is welcome, too!

Dare to Soar

We are off and soaring! The annual giving information was mailed to homes last week. If you have not received your packet, please call Ms. Roberts at 281-342-3161 extension 25.

Student Holiday on Monday

In observance of Columbus Day, CES students will have a holiday on Monday, October 11. Enjoy your day; we'll see you back on Tuesday.

October is Fire Prevention Month

Students will be learning about the importance of fire prevention during the month of October. This is a good time to talk about home fire escape

plans, and change batteries in fire and smoke alarms. The Richmond Fire Department will be at school on October 12 to present a fire prevention program to elementary students.

Interested in Instruments?

There will be a meeting on Tuesday, October 12 at 6:30pm in the Solarium (next to the parish hall) for anyone interested in the possibilities of beginning an instrumental program at CES. We will be investigating opportunities for organizing a band or strings program. Elementary and middle school parents are welcome!
