What's Up at Calvary?

Director's Dinners

A sincere "Thanks" to all who attended the Director's Dinners last week. There was

lots of enthusiasm as we reviewed past successes and looked toward the future.

Needless to say, the buffet dinner, thanks to

the **La Family**, catered by **Kim Son Restaurants** was outstanding, as always. The Director's Dinner officially kicks off the Annual Giving Campaign, with this year's slogan... "Seize the Moment!" Thank you for sharing your precious moments with us!

Seizing the Moment With Katrina Victims!

Last week we reported that CES students had run pledged laps to support the Episcopal Schools in Louisiana to the tune of \$2800. Well, after our last "What's Up at Calvary" went to press, the amount grew to over \$4000! The check was delivered to the **Southwestern Association of Episcopal Schools** (SAES) for distribution. The Calvary Family is always ready to serve and support others!

Ms. Sawicki Thanks You

Ms. Sawicki would like to thank everyone for their kind words and prayers of support after the death of her mother last week. Ms. Sawicki is back in the office, and

thanks everyone for helping to fill in while she was gone.

Eighth Grade Working for Washington Projects

The eighth grade "Working for Washington" program, which is conducted by eighth grade students who raise money for their class trip to

Washington, D.C., has started a new project called **Calvary's Kodak Moments**.

During the year, parents will receive photos of their child

taken during Chapel and other daily activities. These photos will be placed in the child's Tuesday folder or binder. If you like the photo, the eighth grade class would appreciate, but certainly not require, a donation to their cause. The class hopes you enjoy every photo sent you and all the memories that go along with them for many years to come. (Congratulations to **Justin Jones** for this creative fundraising idea!)

You may want to make a note that the WFW students will be selling and delivering mulch late in Oct. or early in Nov., so...put them on your list for your Fall lawn-mulching project. More info will be sent out later this month.

Praise Fest – Thank you for your support!

Kathy Snow, coordinator of the Praise Fest and Calvary Episcopal Church

send their sincere “thanks” to all who helped with the Praise Fest this year. Your support and enthusiasm is always appreciated!

Enjoy the Fort Bend County Fair and Rodeo!

CES students, faculty and staff will have a holiday on Friday, September 23 in honor of the Fort Bend County Fair and Rodeo. Be sure and take a look at the CES student Rodeo Art that was delivered this week by **Ms. Dennison**. The Fort Bend County Fair and Rodeo supports youth of Fort Bend County through scholarships. **Thursday is Dress Western Day!**

National Junior Honor Society Induction

There will be a special National Junior Honor Society (NJHS) Induction at Wednesday’s Chapel. All current NJHS students are required to be in **dress uniforms** on Wednesday.

Join Us for CPTO Meeting and Open House

Please make a note to join the CPTO and our faculty and staff for the annual Open House, Thursday, Sep. 29. This is an opportunity for you to meet your CPTO officers, hear about upcoming CPTO projects, and visit your child’s classrooms. The CPTO Meeting will begin at 6:30 in the chapel, with the Open House General Meeting beginning at 7pm in the chapel. Parents will then be dismissed to visit classrooms.

Did You Know..

That last spring’s Kindergarten (this year’s first grade) group’s composite score in reading on the Stanford Achievement Test was 99%! Their composite math score was 98% and their complete battery of tests was 98% or a grade equivalency of **third grade, third month!**

COMING UP AT CALVARY
